Epernay Maison

Introducing the Epernay Maison, a stunning two-story home that artfully combines sophistication and contemporary design. Stepping inside, you will be welcomed by a warm Foyer completed with hardwood floors and tray ceilings that seamlessly flow into the main living spaces. The Dining Room is perfect for formal dinners and features large windows through which you can see the covered Lanai. From here, you can view the Great Room, complemented by beautiful cathedral ceilings, modern gas fireplace with a slate hearth, and a convenient wine bar. The Kitchen is a dream come true for the culinary enthusiast, equipped with 48" tall double-door cabinets, quartz countertops, and high-end Thermador stainless-steel appliances. The sizeable island and the adjoining Family Room provide an ideal s ... Read More at tuskeshomes.com
