Epernay Villa Elevation

Discover the Epernay Villa, a stunning open-concept single-story home that seamlessly blends classic elegance with modern design. Upon entering, you'll be greeted by a warm and inviting Foyer with hardwood floors and tray ceilings, which continue throughout the main living areas. The Dining Room is perfect for formal dinners, and features large windows that allow for ample natural light. Across the hall is a private Study, offering a quiet space for reflection or remote work. The Kitchen is a chef's dream, with 48-inch tall cabinets, granite countertops, and Wolf stainless steel appliances. The large island is the perfect spot for casual dining or entertaining, and the attached Morning Room is bathed in light from the many windows. In the Great Room, you'll find a modern gas fireplace, grand ... Read More at tuskeshomes.com
